- 5.1.9 Where any event takes place which may affect the proportion of the Net Asset Value of the Company attributable to the Class Account maintained in the books of the Company for any share class, the Directors may make such adjustment to the above calculation as they deem appropriate to ensure any increase or decrease in the Net Asset Value of the Company and all liabilities and expenses are attributed to the Class Accounts maintained for each share class properly and fairly.
- 5.1.10 In the case of a pre-paid expense, asset, profit, gain, income, loss or liability (including expenses) which the Directors do not consider is attributable to a specific share class, the Directors shall have the discretion to determine the basis upon which any such prepaid expense, asset, profit, gain, income, loss or liability (including expenses) shall be allocated between Class Accounts and the Directors shall have power at any time and from time to time to vary such allocation.
- 5.1.11 For the purposes of this Article 5 the Directors may determine from time to time such valuation periods as they see fit.
- 5.1.12 Upon the designation of further share class(es), the Directors shall create new Class Accounts as necessary and shall determine the Designated Adjustments referable to the existing and new classes having regard to the proper and fair treatment of affected Members. Such determination may be amended or revoked by the Directors from time to time having like regard.
- 5.2 The Net Asset Value of the Class Account referable to each such share class shall be determined in accordance with the provisions of this Article 5. The Net Asset Value per share of each class shall equal the Net Asset Value of the relevant Class Account

divided by the number of shares of that class then in issue calculated up to four decimal places.

6. PRE-EMPTION ON ALLOTMENT AND ISSUE OF SHARES

6.1 In this Article 6:

- (a) “equity securities” means:
 - (i) redeemable ordinary shares in the Company, or
 - (ii) rights to subscribe for, or to convert securities into, redeemable ordinary shares in the Company;
- (b) “redeemable ordinary shares” means shares other than shares that as respects dividends, other distributions and capital carry a right to participate only up to a specified amount in a distribution; and
- (c) references to the allotment and issue of equity securities include:
 - (i) the grant of a right to subscribe for, or to convert any securities into, redeemable ordinary shares in the Company (but do not include the allotment and issue of redeemable ordinary shares pursuant to such a right); and
 - (ii) the sale of redeemable ordinary shares in the Company that immediately before the sale are held by the Company in treasury.

6.2 The Company shall not allot and issue equity securities for cash to a person on any terms unless:

6.2.1 it has made an offer to each person who holds redeemable ordinary shares in the Company to allot and issue to him on the same or more favourable terms a proportion of those securities the aggregate value of which (at the proposed issue price) is as nearly as practicable equal to the proportion of the total Net Asset Value of the Company represented by the redeemable ordinary shares held by such holder; and

6.2.2 the period during which any such offer may be accepted has expired or the Company has received notice of the acceptance or refusal of every offer so made,

provided that the Directors may impose such exclusions and/or make such other arrangements as they deem necessary or expedient in relation to fractional entitlements or having regard to any legal or practical problems arising under the laws of any overseas territory, or the requirements of any regulatory body or stock exchange in any territory or otherwise howsoever. The holders of redeemable ordinary shares affected as a result of such exclusions or arrangements shall not be, or be deemed to be, a separate class of Members for any purpose whatsoever.

- 6.3 Securities that the Company has offered to allot and issue to a holder of redeemable ordinary shares may be allotted and issued to him, or anyone in whose favour he has renounced his right to their allotment and issue, without contravening Article 6.2.1.
- 6.4 Redeemable ordinary shares held by the Company in treasury shall be disregarded for the purposes of this Article 6, so that the Company is not treated as a person who holds redeemable ordinary shares; and the redeemable ordinary shares held in treasury are not treated as forming part of the redeemable ordinary share capital of the Company.
- 6.5 Any offer required to be made by the Company pursuant to Article 6.2 should be made by a notice (given in accordance with Article 42) and such offer must state a period during which such offer may be accepted and such offer shall not be withdrawn before the end of that period. Such period must be a period of at least 21 days beginning on the date on which such offer is deemed to be delivered or received (as the case may be) pursuant to Article 42.
- 6.6 Article 6.2 shall not apply in relation to the allotment and issue of:
- 6.6.1 up to five per cent. of the number of shares in issue at the time of Admission for cash provided that this authority will, unless renewed, varied, or revoked by the Company in general meeting, expire on the date which is 5 years from the date of incorporation of the Company;
 - 6.6.2 equity securities in connection with any employee share scheme or long term incentive plan;
 - 6.6.3 bonus shares, shares allotted and issued in accordance with Article 36.4 and/or Article 36.17 nor to a particular allotment and issue of equity securities if these are, or are to be, wholly or partly paid otherwise than in cash; or
 - 6.6.4 equity securities in connection with a rights issue, open offer or other offer of securities in favour of holders of redeemable ordinary shares at such record date as the Directors may determine where the securities attributable to the interests of the holders of redeemable ordinary shares are proportionate (as nearly as may be practicable) to the respective numbers of redeemable ordinary shares held by them on such record date, subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to fractional entitlements or legal or practical problems arising under the laws of any overseas territory or the requirements of any regulatory body or stock exchange or any other matter whatever.
- 6.7 The Company may by Extraordinary Resolution resolve that Article 6.2 shall be excluded or that such Article shall apply with such modifications as may be specified in the resolution:
- (a) generally in relation to the allotment and issue by the Company of equity securities;
 - (b) in relation to allotments and issues of a particular description; or
 - (c) in relation to a specified allotment and issue of equity securities,

and any such resolution must:

- (d) state the maximum number (which may be expressed as a percentage) of equity securities in respect of which Article 6.2 is excluded or modified; and
- (e) specify the date on which such exclusion or modifications will expire, which must be not more than five years from the date on which the resolution is passed.

6.8 Any resolution passed pursuant to Article 6.7 may:

- (a) be renewed or further renewed by a further Extraordinary Resolution for a further period not exceeding five years; and
- (b) be revoked or varied at any time by a further Extraordinary Resolution.

6.9 Notwithstanding that any such resolution referred to in Article 6.7 or 6.8 has expired, the Directors may allot and issue equity securities in pursuance of an offer or agreement previously made by the Company if the resolution enabled the Company to make an offer or agreement that would or might require equity securities to be allotted and issued after it expired.

6.10 In this Article 6, in relation to an offer to allot and issue equity securities a reference (however expressed) to the holder of redeemable ordinary shares of any description is to whoever was the holder of redeemable ordinary shares of that description at the close of business on a date to be specified in the offer and the specified date must fall within the period of 28 days immediately before the date of the offer.

7. ORDINARY SHARES

7.1 The Directors are authorised to issue Ordinary Shares of such classes (and denominated in such currencies) as they may determine in accordance with Article 4.

7.2 Subject to Article 8 and to the rights of any Ordinary Shares which may be issued with special rights or privileges, the Ordinary Shares of each class carry the right to receive all income of the Company attributable to the Ordinary Shares of such class (as determined by the Directors) and to participate in any distribution of such income made by the Company, pro rata to the relative Net Asset Values of each of the classes of Ordinary Shares calculated in accordance with Article 5 (subject to such adjustments as the Directors may consider appropriate in the case of a class of Ordinary Shares which was not in issue for the whole of the period to which such distribution relates) and within each such class such income shall be divided *pari passu* among the holders of Ordinary Shares of that class in proportion to the number of Ordinary Shares of such class held by them.

7.3 Subject to Article 8 and to the rights of any Ordinary Shares which may be issued with special rights or privileges, on a winding-up of the Company or other return of capital attributable to the Ordinary Shares (as determined by the Directors) and other than by way of a repurchase or redemption of shares in accordance with the provisions of these Articles and the Companies Law), the surplus assets of the Company attributable to the Ordinary Shares (as determined by the Directors) and

available for distribution shall be paid to the holders of Ordinary Shares of each class pro rata to the relative Net Asset Values of each of the classes of Ordinary Shares calculated in accordance with Article 5 and within each such class such assets shall be divided *pari passu* among the holders of Ordinary Shares of that class in proportion to the number of Ordinary Shares of such class held by them.

- 7.4 Subject to the provisions of these Articles and any special rights, restrictions or prohibitions as regards voting for the time being attached to any Ordinary Shares, the Ordinary Shares shall carry the right to receive notice of and attend and/or vote at any general meeting of the Company or class meeting and at any such meeting:
- 7.4.1 on a show of hands every holder of Ordinary Shares Present In Person and entitled to vote shall have one vote; and
- 7.4.2 on a poll every holder of Ordinary Shares of a particular class Present In Person at any general meeting of the Company or class meeting shall have such number of votes for each Ordinary Share of such class as shall be determined by the Directors prior to the first issue of Ordinary Shares of such class.

8. C SHARES

- 8.1 Subject to the Companies Law, the Directors are authorised to issue C Shares of such classes as they may determine in accordance with Article 4 and with C Shares of each such class being convertible into Ordinary Shares (being the “**New Ordinary Shares**”).
- 8.2 The Directors shall, on the issue of each class of C Shares, determine the Calculation Time and Conversion Time for such class and shall be entitled to effect any amendments to the definition of Conversion Ratio attributable to such class.
- 8.3 Notwithstanding any other provision of these Articles:
- 8.3.1 the holders of any class of C Shares will be entitled to receive such dividends or other distributions as the Directors may resolve to pay to such holders out of the assets attributable to such class of C Shares (as determined by the Directors);
- 8.3.2 the New Ordinary Shares arising upon Conversion shall rank *pari passu* with all other New Ordinary Shares of the same class for dividends and other distributions declared, made or paid by reference to a record date falling after the relevant Calculation Time and holders of the New Ordinary Shares shall receive all the rights accruing to the relevant class of New Ordinary Shares, including such number of votes per share of the relevant class of New Ordinary Shares as is designated to such shares in accordance with these Articles;
- 8.3.3 no dividend or other distribution shall be made or paid by the Company on any of its shares between the Calculation Time and the Conversion Time (both dates inclusive) and no dividend or other distribution shall be declared with a record date falling between the Calculation Time and the Conversion Time (both dates inclusive);

- 8.3.4 the capital and assets of the Company shall on a winding up or on a return of capital (other than by way of the repurchase or redemption of shares by the Company) prior, in each case, to Conversion shall be applied as follows:
- (a) the Ordinary Share Surplus shall be divided amongst the holders of Ordinary Shares pro rata to their holdings of Ordinary Shares as if the Ordinary Share Surplus comprised the assets of the Company available for distribution; and
 - (b) the C Share Surplus attributable to each class of C Shares shall be divided amongst the C Shareholders of such class pro rata according to their holdings of C Shares of that class; and
- 8.3.5 the C Shares shall be transferable in the same manner as the Ordinary Shares.
- 8.4 Subject to the provisions of these Articles and any special rights, restrictions or prohibitions as regards voting for the time being attached to any C Shares, the C Shares shall carry the right to receive notice of and attend and/or vote at any general meeting of the Company or class meeting and at any such meeting.
- 8.5 The C Shares are issued on the terms that each class of C Shares shall be redeemable by the Company in accordance with the terms of this Article 8.
- 8.6 Without prejudice to the generality of these Articles, until Conversion the consent of the holders of C Shares as a class (irrespective of whichever class of C Shares they may hold) shall be required in accordance with Article 4.9 for, and accordingly the special rights attached to any class of C Shares shall be deemed to be varied, *inter alia*, by:
- 8.6.1 any alteration to the memorandum of incorporation of the Company or these Articles; or
 - 8.6.2 the passing of any resolution to wind up the Company.
- 8.7 Until Conversion and without prejudice to its obligations under the Companies Law, the Company shall in relation to each class of C Shares establish a separate Class Account for that class in accordance with Article 5 and, subject thereto:
- 8.7.1 procure that the Company's records and bank accounts shall be operated so that the assets attributable to the relevant class of C Shares can, at all times, be separately identified and, in particular but without prejudice to the generality of the foregoing, the Company shall procure that separate cash accounts, broker settlement accounts and investment ledger accounts shall be created and maintained in the books of the Company for the assets attributable to each class of C Shares; and
 - 8.7.2 allocate to the assets attributable to each class of C Shares such proportion of the income, expenses or liabilities of the Company incurred or accrued between the Issue Date and the Calculation Time (both dates inclusive) as the Directors fairly consider to be attributable to such class of C Shares including, without prejudice to the generality of the foregoing, those liabilities specifically identified in the definition of "Conversion Ratio" below; and

- 8.7.3 give appropriate instructions to the Administrator to manage the Company's assets so that such undertakings can be complied with by the Company.
- 8.8 Each class of C Shares shall be converted into New Ordinary Shares at the Conversion Time in accordance with the provisions of Articles 8.9 to 8.15.
- 8.9 The Directors shall procure that within twenty Business Days after the Calculation Time:
- 8.9.1 the Administrator or, failing which, an independent accountant selected for the purpose by the Board, shall be requested to calculate the Conversion Ratio as at the Calculation Time and the number of New Ordinary Shares to which each holder of C Shares of the relevant class shall be entitled on Conversion; and
- 8.9.2 the Auditor may, if the Directors consider it appropriate, be requested to certify whether such calculations have been performed in accordance with these Articles and are arithmetically accurate;
- whereupon, subject to the proviso in the definition of "Conversion Ratio", such calculations shall become final and binding on the Company and all Members. If the Auditor is unable to confirm the calculations of the Administrator or independent accountant, as described above, the Conversion shall not proceed.
- 8.10 The Directors shall procure that, as soon as practicable, and following its determination or certification (as the case may be), an RIS announcement is made advising holders of C Shares of that class of the Conversion Time, the Conversion Ratio and the aggregate numbers of New Ordinary Shares to which holders of C Shares of that class are entitled on Conversion.
- 8.11 Conversion of each class of C Shares shall take place at the Conversion Time designated by the Directors for that class of C Shares. On Conversion the issued C Shares of the relevant class shall automatically convert (by redesignation and/or subdivision and/or consolidation and/or a combination of both, or otherwise as appropriate) into such number of New Ordinary Shares as equals the aggregate number of C Shares of the relevant class in issue at the Calculation Time multiplied by the Conversion Ratio (rounded down to the nearest whole New Ordinary Share) and if, as a result of the Conversion, the Member concerned is entitled to:
- 8.11.1 more shares of the relevant class of New Ordinary Shares than the number of original C Shares of the relevant class, additional New Ordinary Shares of the relevant class shall be allotted and issued accordingly; or
- 8.11.2 fewer shares of the relevant class of New Ordinary Shares than the number of original C Shares of the relevant class, the appropriate number of original C Shares shall be cancelled accordingly.
- 8.12 Notwithstanding the provisions of Article 8.11, conversion of the original C Shares of the relevant class may be effected in such other manner permitted by applicable legislation as the Directors shall from time to time determine.
- 8.13 The New Ordinary Shares of the relevant class arising upon Conversion shall be divided amongst the former holders of the relevant class of C Shares pro rata

according to their respective former holdings of the relevant class of C Shares (provided always that the Directors may deal in such manner as they think fit with fractional entitlements to the New Ordinary Shares, including, without prejudice to the generality of the foregoing, selling or redeeming any such shares representing such fractional entitlements and retaining the proceeds for the benefit of the Company) and for such purposes any Director is hereby authorised as agent on behalf of the former holders of C Shares of the relevant class to do any other act or thing as may be required to give effect to the same including, in the case of a share in Certificated form, to execute any stock transfer form and, in the case of a share in Uncertificated form, to give directions to or on behalf of the former holder of C Shares of the relevant class who shall be bound by them.

- 8.14 Forthwith upon Conversion, any certificates relating to C Shares of the relevant class shall be cancelled, the Register shall be updated and the Company shall issue to each such former holder of C Shares of the relevant class new certificates in respect of the shares of the relevant class which have arisen upon Conversion, unless such former holder of C Shares of the relevant class elects to hold such shares in Uncertificated form, and the Register shall be updated accordingly.
- 8.15 The Company will use its reasonable endeavours to procure that, upon Conversion, the resulting New Ordinary Shares are admitted to trading on the London Stock Exchange's main market for listed securities.
- 8.16 References to the Auditors certifying any matter shall be construed to mean certification of their opinion as to such matter, whether qualified or not.

9. COMPANY NOT OBLIGED TO RECOGNISE ANY TRUST

The Company shall not be affected or bound by or be compelled in any way to recognise (even when having notice) any equitable, contingent, future or partial interest in any share or fraction thereof or (except only as otherwise provided by these Articles or by law) any other rights in respect of any share except an absolute right to the entirety in the registered holder and whether or not such share shall be entered in the Register as held in trust, nor shall the Company be bound to see to the execution of any trust to which any share may be subject.

10. NOTIFICATIONS OF INTERESTS

- 10.1 Each Member shall be under an obligation to make notifications in accordance with the provisions of this Article 10.
- 10.2 For so long as the Company has a class of shares admitted to listing on the Official List of the Financial Conduct Authority and to trading on the London Stock Exchange's Main Market for listed securities, the provisions of DTR5 shall be deemed to be incorporated by reference into these Articles and accordingly the vote holder and issuer notification rules set out in DTR5 shall apply to the Company and each Member.
- 10.3 For the purposes of this Article 10 only, defined terms in DTR5 shall bear the meaning set out in DTR5, and if the meaning of a defined term is not set out in DTR5, the defined term shall bear the meaning set out in the Glossary to the UK

Financial Conduct Authority Handbook (in such case, read as the definition applicable to DTR5).

- 10.4 If at any time the Company shall have a class of shares admitted to listing on the Official List of the Financial Conduct Authority and to trading on the London Stock Exchange's Main Market for Listed Securities, the provisions of Section 793 of the UK Companies Act 2006, which provisions are incorporated by reference in these Articles and are available to the Members from the Secretary at no charge, shall apply to the Members of such quoted shares, provided that for the purposes of this Article 10, the following terms shall have the meanings set forth below:

"public company" shall mean the Company; and

"company's shares" shall mean the class of shares of the Company admitted to listing on the Official List of the Financial Conduct Authority and to trading on the London Stock Exchange's main market for listed securities.

- 10.5 If the Company determines that a Member (a **"Defaulting Member"**) has not complied with the provisions of DTR5 as set forth above with respect to some or all of such shares held by such Member (the **"Default Shares"**), the Company shall have the right by delivery of notice to the Defaulting Member (a **"Default Notice"**) to:

10.5.1 suspend the right of such Defaulting Member to vote on the Default Shares in person or by Proxy at any meeting of the Company. Such a suspension shall have effect from the date on which the Default Notice is delivered by the Company to the Defaulting Member until a date that is not more than seven (7) days after the Company has determined in its sole discretion that the Defaulting Member has cured the non-compliance with the provisions of DTR5; PROVIDED THAT the Company may at any time by subsequent written notice cancel or suspend the operation of a Default Notice; and/or

- (a) withhold, without any obligation to pay interest thereon, any dividend, distribution or other amount payable with respect to the Default Shares with such amount to be payable only after the Default Notice ceases to have effect with respect to the Default Shares,
- (b) render ineffective any election to receive shares of the Company instead of cash in respect of any dividend or other distribution or part thereof, and/or
- (c) prohibit the transfer of any shares of the Company held by the Defaulting Member except with the consent of the Company or if the Defaulting Member can provide satisfactory evidence to the Company to the effect that, after due inquiry, such Defaulting Member has determined that the shares to be transferred are not Default Shares.

11. DISCLOSURE OF BENEFICIAL INTERESTS

- 11.1 The Board shall have power by notice in writing to require any Member to disclose to the Company the identity of any person other than the Member (an **"Interested Party"**) who has, or has had at any time during the three years immediately preceding

the date on which the notice is issued, any interest (whether direct or indirect) in the shares held by the Member and the nature of such interest. For these purposes, a person shall be treated as having an interest in shares if they have any interest in them whatsoever, including but not limited to any interest acquired by any person as a result of:

- 11.1.1 entering into a contract to acquire them;
 - 11.1.2 not being the registered holder, being entitled to exercise, or control the exercise of, any right conferred by the holding of the shares;
 - 11.1.3 having the right to call for delivery of the shares; or
 - 11.1.4 having the right to acquire an interest in shares or having the obligation to acquire such an interest.
- 11.2 Any such notice shall require any information in response to such notice to be given in writing within the prescribed deadline as determined in accordance with Article 11.16.2.
- 11.3 The Company may maintain a register of interested parties to which the provisions of the Laws relating to the Register of Members shall apply *mutatis mutandis* as if the register of interested parties was the Register of Members and whenever in pursuance of a requirement imposed on a shareholder as aforesaid the Company is informed of an Interested Party the identity of the Interested Party and the nature of the interest shall be promptly inscribed therein together with the date of the request. At no time shall the Company permit the register of interested parties to be kept or maintained in the United Kingdom.
- 11.4 The Board shall be required to exercise its powers under Article 11.1 above if requisitioned to do so in accordance with Article 11.5 by Members holding at the date of the deposit of the requisition not less than one-tenth of the total voting rights attaching to the Ordinary Shares at the relevant time.
- 11.5 A requisition under Article 11.4 must:
- 11.5.1 state that the requisitionists are requiring the Company to exercise its powers under this Article;
 - 11.5.2 specify the manner in which they require those powers to be exercised;
 - 11.5.3 give reasonable grounds for requiring the Company to exercise those powers in the manner specified; and
 - 11.5.4 be signed by the requisitionists and deposited at the Office.
- 11.6 A requisition may consist of several documents in like form each signed by one or more requisitionists.
- 11.7 On the deposit of a requisition complying with this Article 10 it is the Board's duty to exercise their powers under Article 11.1 in the manner specified in the requisition.
- 11.8 If any Member has been duly served with a notice given by the Board in accordance with Article 11.1 and is in default after the prescribed deadline (as determined by the Board in accordance with Article 11.2) in supplying to the Company the information

thereby required, then the Board may in its absolute discretion at any time thereafter serve a notice (a “**direction notice**”) upon such Member.

11.9 A direction notice may direct that, in respect of:-

11.9.1 any shares in relation to which the default occurred (all or the relevant number as appropriate of such shares being the “**Default Shares**”); and

11.9.2 any other shares held by the Member,

the Member shall not be entitled to vote at a general meeting or meeting of the holders of any class of shares of the Company either personally or by Proxy or to exercise any other right conferred by membership in relation to meetings of the Company or of the holders of any class of shares of the Company.

11.10 Where the Default Shares represent at least 0.25 per cent. of the number of shares in issue of the class of shares concerned, the direction notice may additionally direct that in respect of the Default Shares:

11.10.1 any dividend, other distribution or the proceeds of any repurchase, redemption or repayment on the Default Shares or part thereof which would otherwise be payable on such shares shall be retained by the Company without any liability to pay interest thereon when such money is finally paid to the Member; and

11.10.2 no transfer other than an approved transfer (as set out in Article 11.16.3) of the Default Shares held by such Member shall be registered unless:-

(a) the Member is not himself in default as regards supplying the information requested; and

(b) when presented for registration the transfer is accompanied by a certificate by the Member in a form satisfactory to the Board to the effect that after due and careful enquiry the Member is satisfied that no person who is in default as regards supplying such information is interested in any of the shares the subject of the transfer.

11.11 The Company shall send to each other person appearing to be interested in the shares the subject of any direction notice a copy of the notice, but failure or omission by the Company to do so shall not invalidate such notice.

11.12 If shares are issued to a Member as a result of that Member holding other shares in the Company and if the shares in respect of which the new shares are issued are Default Shares in respect of which the Member is for the time being subject to particular restrictions, the new shares shall on issue become subject to the same restrictions whilst held by that Member as such Default Shares. For this purpose, shares which the Company procures to be offered to Members *pro rata* (or *pro rata* ignoring fractional entitlements and shares not offered to certain Members by reason of legal or practical problems associated with offering shares outside the United Kingdom or Guernsey) shall be treated as shares issued as a result of a Member holding other shares in the Company.

- 11.13 Any direction notice shall have effect in accordance with its terms for as long as the default, in respect of which the direction notice was issued, continues but shall cease to have effect:
- 11.13.1 if the information requested in the notice is delivered to the Company within the prescribed deadline; or
- 11.13.2 in relation to any shares which are transferred by such Member by means of an approved transfer as set out in Article 11.16.3.
- 11.14 As soon as practicable after the direction notice has ceased to have effect (and in any event within five Business Days thereafter) the Board shall procure that the restrictions imposed by Articles 11.9 and 11.10 shall be removed and that dividends and other distributions withheld pursuant to Article 11.10.1 are paid to the relevant Member.
- 11.15 For the purpose of enforcing the restrictions referred to in Article 11.10.2 and to the extent permissible under the Regulations and the Rules, if any, the Board may give notice to the relevant Member requiring the Member to change any Default Shares held in Uncertificated form to Certificated form by the time stated in the notice. The notice may also state that the Member may not change any of the Default Shares held in Certificated form to Uncertificated form. If the Member does not comply with the notice, the Board may authorise any person to instruct the operator of the Uncertificated System to change the Default Shares held in Uncertificated form to Certificated form.
- 11.16 For the purpose of this Article:-
- 11.16.1 a person shall be treated as appearing to be interested in any shares if the Member holding such shares has given to the Company a notification which either (a) names such person as being so interested or (b) fails to establish the identities of those interested in the shares and (after taking into account the said notification and any other relevant notification) the Company knows or has reasonable cause to believe that the person in question is or may be interested in the shares; and
- 11.16.2 the prescribed deadline in respect of any particular Member is 28 days from the date of service of the said notice in accordance with this Article 10 except where the Default Shares represent at least 0.25 per cent. of the number of shares in issue of the class of shares concerned in which case such deadline shall be 14 days;
- 11.16.3 subject to Article 16.8, a transfer of shares is an “**approved transfer**” if but only if:-
- (a) it is a transfer of shares to an offeror by way or in pursuance of acceptance of a public offer made to acquire all the issued shares in the capital of the Company not already owned by the offeror or connected person of the offeror in respect of the Company; or
- (b) the Board is satisfied that the transfer is made pursuant to a sale of the whole of the beneficial ownership of the shares which are the

subject of the transfer to a party unconnected with the Member and with other persons appearing to be interested in such shares; or

- (c) the transfer results from a sale made through a recognised investment exchange (as defined in the Financial Services and Markets Act 2000, as amended) or any stock exchange outside the United Kingdom on which the Company's shares are listed or normally traded.

11.17 For the purposes of Article 11.16.3 any person of the following persons shall be included amongst the persons who are connected with the Member or any other person appearing to be interested in such shares:

11.17.1 a spouse, child (under the age of eighteen) or step child (under the age of eighteen) of the Member or any other person appearing to be interested in such shares;

11.17.2 an associated body corporate which is a company in which the Member or any other person appearing to be interested in such shares alone, or with connected persons, is directly or indirectly beneficially interested in 20 per cent. or more of the nominal value of the equity share capital or is entitled (alone or with connected persons) to exercise or control the exercise of more than 20 per cent. of the voting power at general meetings; or

11.17.3 a trustee (acting in that capacity) of any trust, the beneficiaries of which include the Member or any other person appearing to be interested in such shares or persons falling within Articles 11.17.1 or 11.17.2 above excluding trustees of an employees' share scheme or pension scheme; or

11.17.4 a partner (acting in that capacity) of the Member or any other person appearing to be interested in such shares or persons described in Articles 11.17.1 to 11.17.3 above.

11.18 Any Member who has been given notice of an Interested Party in accordance with Article 11.1 who subsequently ceases to have any party interested in his shares or has any other person interested in his shares shall notify the Company in writing of the cessation or change in such interest and the Board shall promptly amend the register of Interested Parties accordingly.

11.19 In addition to the right of the Board to serve notice on any Member pursuant to Article 11.1, the Board may serve notice on any Member requiring that Member to promptly provide the Company with any information, representations, certificates or forms relating to such Member (or its direct or indirect owners or account holders) that the Board determines from time to time are necessary or appropriate for the Company to:

11.19.1 satisfy any account or payee identification, documentation or other diligence requirements and any reporting requirements imposed under FATCA; or

11.19.2 avoid or reduce any tax otherwise imposed by FATCA (including any withholding upon any payments to such Member by the Company); or

11.19.3 permit the Company to enter into, comply with, or prevent a default under or termination of, an agreement of the type described in section 1471(b) of the

US Internal Revenue Code of 1986 (or any analogous agreement in another jurisdiction)..

If any Member (a “**Defaulting Member**”) is in default of supplying to the Company the information referred to above within the prescribed period (which shall not be less than 28 days after the service of the notice), the continued holding of shares in the Company by the Defaulting Member shall be deemed to cause the Company and/or its Members a pecuniary or tax disadvantage and as such the Defaulting Member shall be a Non-Qualified Holder. The Board shall be entitled to require such Non-Qualified Holder by notice in writing to sell or transfer his shares to a person who is not a Non-Qualified Holder within 30 days of such notice and if such sale does not take place within such 30 day period the Board may then exercise its other discretions in accordance with Article 15 in respect of that Non-Qualified Holder.

- 11.20 The Company or its agents shall, if required to do so under the legislation of any jurisdiction to which any of them are subject, be entitled to release or disclose any information in their possession regarding the Company or its affairs or any of its Members (or their direct or indirect owners or account holders), including without limitation information required under FATCA.

12. CERTIFICATES AND REGISTER OF MEMBERS

- 12.1 Subject to the Laws, the Regulations and the Rules, shares shall be issued in registered form and may be issued and held in Certificated or Uncertificated form as the Board may in its absolute discretion determine.
- 12.2 Subject to Article 12.1, the Company shall issue:
- 12.2.1 without payment one certificate to each person for all his shares of each class and, when part only of the shares comprised in a certificate is sold or transferred, a balance certificate; or
 - 12.2.2 upon payment of such sum as the Board may determine several certificates each for one or more shares of any class.
- 12.3 Any certificate issued shall specify the shares to which it relates and the amount paid up and the distinguishing numbers (if any).
- 12.4 All forms of certificate for shares or debentures or representing any other form of security may if determined by the Board be issued under the common signature of the Company and may be signed mechanically.
- 12.5 If a share certificate is issued and is defaced lost or destroyed it may be replaced or renewed without charge (other than exceptional out of pocket expenses) on such terms (if any) as to evidence and indemnity as the Board thinks fit.
- 12.6 Shares of any class may be traded through an Uncertificated System and held in Uncertificated form in accordance with such arrangements as may from time to time be permitted by any statute, regulation, order, instrument or rule in force affecting the Company. Amendments to these Articles which may be necessary or expedient for this purpose may be made by Special Resolution but will not be deemed to vary the rights of any class of shares.

- 12.7 The Company shall keep the Register at the Office in accordance with the Companies Law. The Company shall not at any time cause or permit to be kept in the United Kingdom any branch register or other register of the Members.
- 12.8 The Company shall not be bound to register more than four persons as the joint holders of any share or shares. In the case of a share held jointly by more than one person in Certificated form the Company shall not be bound to issue more than one certificate thereof and delivery of a certificate to one of the joint holders shall be sufficient delivery to all.

13. LIEN

- 13.1 The Company shall have a first and paramount lien (extending to all dividends and distributions payable) on all shares (not being fully paid) for all moneys whether presently payable, or not called, or payable at a fixed time in respect of those shares and for all the debts and liabilities of the holder to the Company and that whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person (other than such holder) and whether the time for payment or discharge shall have arrived or not and notwithstanding that the same are joint debts or liabilities of such holder and any other person (whether a Member or not) save that any shares held in an Uncertificated System must be fully paid up.
- 13.2 For the purpose of enforcing such lien, the Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, nor until the expiration of 14 days after a notice in writing, stating and demanding payment of the sum presently payable, and giving notice of intention to sell in default, shall have been served on the holder for the time being of the shares or the person entitled by reason of his death or bankruptcy to the shares. For the purpose of giving effect to any such sale the Board may authorise some person to transfer to the purchaser thereof the shares so sold.
- 13.3 The net proceeds of such sale, after payment of the costs of such sale, shall be applied in or towards payment or satisfaction of the debt or liability in respect whereof the lien exists, so far as the same is presently payable and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the time of the sale. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in relation to the sale.

14. CALLS ON SHARES

- 14.1 The Board may at any time make calls upon the Members in respect of any moneys unpaid on their shares and each Member shall pay to the Company at the time and place appointed the amount called. A call may be revoked or postponed.
- 14.2 Joint holders shall be jointly and severally liable to pay calls.
- 14.3 If a sum called in respect of a share is not paid before or on the day appointed the person from whom the sum is due shall pay interest from the day appointed to the

time of actual payment at such rate (not exceeding 15 per cent. per annum) as the Board may determine but the Board shall be at liberty in any case or cases to waive payment of such interest wholly or in part.

- 14.4 Any sum which by the terms of issue of a share becomes payable on issue or at any fixed date shall for the purposes of these Articles be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable and in the case of non-payment all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
- 14.5 The Board may, if it thinks fit, receive from any Member willing to advance the same all or any part of the money uncalled and unpaid upon the shares held by him beyond the sums actually called up thereon as payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the shares in respect of which it is advanced, and upon the money so received or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which it has been received, the Company may (until the same would, but for such advance, become presently payable) pay interest at such rate as the Member paying such sum and the Board agree upon **PROVIDED THAT** any amount paid up in advance of calls shall not entitle the holder of the shares upon which such amount is paid to participate in respect thereof in any dividend or other distribution until the same would but for such advance become presently payable.
- 14.6 The Board may on an issue of shares differentiate between holders as to amount of calls and times of payment.

15. FORFEITURE AND SURRENDER OF SHARES

- 15.1 If a Member fails to pay any call or instalment on the day appointed, the Board may at any time during such period as any part remains unpaid serve notice requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued and any expenses which may have been incurred by the Company by reason of non-payment.
- 15.2 The notice shall state a further day on or before which the payment required by the notice is to be made and the place where the payment is to be made and that in the event of non-payment the shares in respect of which the call was made or instalment is payable will be liable to be forfeited. If the requirements of any such notice are not complied with any share in respect of which the notice has been given may at any time before payment has been made be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends or distributions declared in respect of the forfeited share and not actually paid before the forfeiture.
- 15.3 Notice of forfeiture shall forthwith be given to the former holder and an entry of such notice and forfeiture shall forthwith be made and dated in the Register opposite the entry of the share; but no forfeiture shall be in any manner invalidated by any omission or neglect to give notice or to make entry.
- 15.4 If the Board has served a notice upon a Non-Qualified Holder pursuant to Article 16.14 and such holder has not sold or transferred his shares to a person qualified to

own the same within the required period, such shares shall be deemed forfeited and treated as such in accordance with Articles 15.5 to 15.9 below.

- 15.5 A forfeited share shall be deemed to be the property of the Company and may be sold, re-allotted and re-issued or otherwise disposed of on such terms as the Board shall think fit with or without all or any part of the amount previously paid on the share being credited as paid and at any time before a sale or disposition the forfeiture may be cancelled.
- 15.6 A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares, but shall notwithstanding the forfeiture remain liable to pay to the Company all monies which at the date of forfeiture were presently payable by him to the Company in respect of the shares with interest thereon from the date of forfeiture until payment at such rate (not exceeding 15 per cent. per annum) as the Board may determine and the Board may enforce payment without any allowance for the value of the shares at the time of forfeiture.
- 15.7 The Board may accept from any Member on such terms as shall be agreed a surrender of any shares in respect of which there is a liability for calls. Any surrendered share may be disposed of in the same manner as a forfeited share.
- 15.8 A declaration in writing by a Director or the Secretary that a share has been duly forfeited or surrendered or sold to satisfy a lien of the Company on the date stated in the declaration shall be conclusive evidence of the facts therein as against all persons claiming to be entitled to the shares.
- 15.9 The Company may receive the consideration given for any share on any sale or disposition and may execute a transfer of the share in favour of the person to whom the same is sold or disposed of and he shall thereupon be registered as the holder and shall not be bound to see to the application of the purchase money nor shall his title be affected by any irregularity or invalidity in forfeiture, sale, re-allotment and re-issue or disposal.

16. TRANSFER AND TRANSMISSION OF SHARES

- 16.1 Under and subject to the Regulations and the Rules, the Board shall have power to implement such arrangements as it may, in its absolute discretion, think fit in order for any class of shares to be admitted to settlement by means of an Uncertificated System. Where it does do so, the provisions of this Article 16 shall commence to have effect immediately prior to the time at which the relevant Approved Operator admits the class to settlement by means of the relevant Uncertificated System.
- 16.2 In relation to any class of shares which, for the time being, an Approved Operator has admitted to settlement by means of an Uncertificated System, and for so long as such class remains so admitted, no provision of these Articles (including for the avoidance of doubt Article 9) shall apply or have effect to the extent that it is in any respect inconsistent with:-
 - 16.2.1 the holding of shares of that class in Uncertificated form;
 - 16.2.2 the transfer of title to shares of that class by means of an Uncertificated System; or

- 16.2.3 the Regulations or the Rules.
- 16.3 Without prejudice to the generality of Article 16.2 and notwithstanding anything contained in these Articles where any class of shares is, for the time being, admitted to settlement by means of an Uncertificated System:-
- 16.3.1 such securities may be issued in Uncertificated form in accordance with and subject as provided in the Regulations and the Rules;
- 16.3.2 unless the Board otherwise determines, such securities held by the same holder or joint holder in Certificated form and Uncertificated form shall be treated as separate holdings;
- 16.3.3 such securities may be changed from Uncertificated to Certificated form, and from Certificated to Uncertificated form, in accordance with and subject as provided in the Regulations and the Rules;
- 16.3.4 title to such of the shares as are recorded on the Register as being held in Uncertificated form may be transferred only by means of an Uncertificated System and as provided in the Regulations and the Rules and accordingly (and in particular) no provision of these Articles shall apply in respect of such shares to the extent that those Articles require or contemplate the effecting of a transfer by an instrument in writing and the production of a certificate for the security to be transferred;
- 16.3.5 the Company shall comply in all respects with the Regulations and the Rules;
- 16.3.6 no provision of these Articles shall apply so as to require the Company to issue a certificate to any person holding such shares in Uncertificated form;
- 16.3.7 the maximum number of joint holders of a share shall be four.
- 16.4 Words and expressions not specifically defined in this Article shall bear the same meaning as those words and expressions defined in the Regulations and the Rules.
- 16.5 Subject to such of the restrictions of these Articles as may be applicable (including for the avoidance of doubt, Article 11.15):-
- 16.5.1 without prejudice to any arrangements made in accordance with Article 16.1 any Member may transfer all or any of his Uncertificated shares by means of an Uncertificated System authorised by the Board in such manner provided for, and subject to the Regulations and the Rules and accordingly no provision of these Articles shall apply in respect of an Uncertificated share to the extent that it requires or contemplates the effecting of a transfer by an instrument in writing or the production of a certificate for the shares to be transferred;
- 16.5.2 any Member may transfer all or any of his Certificated shares by an instrument of transfer in any usual common form or in any other form which the Board may approve; and
- 16.5.3 an instrument of transfer of a Certificated share shall be signed by or on behalf of the transferor and, unless the share is fully paid, by or on behalf of

the transferee. An instrument of transfer of a Certificated share need not be under seal.

- 16.6 Every instrument of transfer of a Certificated share shall be left at the Office or such other place as the Board may prescribe with the certificate of every share to be transferred and such other evidence as the Board may reasonably require to prove the title of the transferor or his right to transfer the shares, and the transfer and certificate (if any) shall remain in the custody of the Board but shall be at all reasonable times produced at the request and expense of the transferor or transferee or their respective representatives. A new certificate shall be delivered free of charge to the transferee after the transfer is completed and registered on his application and when necessary a balance certificate shall be delivered if required by him in writing.
- 16.7 The Board may, in its absolute discretion and without giving a reason, decline to transfer or register any transfer of any share in Certificated form or (to the extent permitted by the Regulations and the Rules) Uncertificated form which is not fully paid or on which the Company has a lien provided or if:
- 16.7.1 it is in respect of more than one class of shares;
- 16.7.2 it is in favour of more than four joint transferees;
- 16.7.3 in relation to a share in Certificated form, having been delivered for registration to the Office or such other place as the Board may decide, it is not accompanied by the certificate for the shares to which it relates and such other evidence as the Board may reasonably require to prove title of the transferor and the due execution by him of the transfer or, if the transfer is executed by some other person on his behalf, the authority of that person to do so; or
- 16.7.4 the transfer is in favour of any Non-Qualified Holder.
- provided in the case of a listed share such refusal to register a transfer would not prevent dealings in the share from taking place on an open and proper basis on the relevant stock exchange. In the event that any holder becomes, or holds shares on behalf of, a Non-Qualified Holder, such holder shall be required to notify the Administrator of the Company immediately.
- 16.8 The Board may decline to register a transfer of an Uncertificated share which is traded through the an Uncertificated System subject to and in accordance with the Regulations and the Rules, where, in the case of a transfer to joint holders, the number of joint holders to whom the Uncertificated share is to be transferred exceeds four.
- 16.9 If the Board refuses to register the transfer of a share it shall, within two months after the date on which the transfer was lodged with the Company, send notice of the refusal to the transferee.
- 16.10 To the extent permitted by the Laws the registration of transfers may be suspended at such times and for such periods (not exceeding 30 days in the aggregate in any Calendar Year) as the Board may decide on giving notice in La Gazette Officielle and either generally or in respect of a particular class of share except that, in respect of

any shares which are participating shares held in an Uncertificated System, the Register shall not be closed without the consent of the Approved Operator.

- 16.11 No fee shall be payable to the Company in respect of the registration of any transfer, probate, letters of administration, certificate of marriage or death, power of attorney, instruction or other document relating to or affecting the title to any shares.
- 16.12 On the death of a Member, the survivors where the deceased was a joint holder and the executor or administrator of the deceased where he was a sole holder shall be the only persons recognised by the Company as having any title to or interest in his shares; but nothing herein shall release the estate of a deceased joint holder from any liability in respect of any share jointly held.
- 16.13 A person so becoming entitled to a share in consequence of the death, bankruptcy or incapacity of a Member or otherwise by operation of law (subject as hereinafter provided), upon supplying to the Company such evidence as the Board may reasonably require to show his title to the share, shall have the right to receive and may give a discharge for all dividends, other distributions and other money payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, or save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the share **PROVIDED ALWAYS THAT** the Board may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within 90 days the Board may thereafter withhold all dividends, other distributions or other monies payable or other advantages due in respect of the share until the requirements of the notice have been complied with.
- 16.14 If it shall come to the notice of the Board that any shares are owned directly, indirectly, or beneficially by a Non-Qualified Holder, the Board may give notice to such person requiring him either (i) to provide the Board within thirty days of receipt of such notice with sufficient satisfactory documentary evidence to satisfy the Board that such person is not a Non-Qualified Holder; or (ii) to sell or transfer his shares to a person who is not a Non-Qualified Holder within thirty days and within such thirty days to provide the Board with satisfactory evidence of such sale or transfer. Pending such sale or transfer the Board may suspend the exercise of any voting or consent rights and rights to receive notice of, or attend, meetings of the Company and any rights to receive dividends or other distributions with respect to such shares, and the holder shall repay the Company any amounts distributed to such holder by the Company during the time such holder held such shares. If any person upon whom such a notice is served pursuant to this Article 16.14 does not within thirty days after such notice either (i) transfer his shares to a person who is not a Non-Qualified Holder or (ii) establish to the satisfaction of the Board (whose judgment shall be final and binding) that he is not a Non-Qualified Holder; (a) such person shall be deemed upon the expiration of such thirty days to have forfeited his shares and the Board shall be empowered at their discretion to follow the procedure pursuant to Articles 15.3-15.9 or, (b) if the Board in its absolute discretion so determines, to the extent permitted under the Regulations and the Rules, the Board may arrange for the Company to sell the share at the best price reasonably obtainable to any other person so that the share will cease to be held by a Non-Qualified Holder, in which event the Company may, but only to the extent permitted under the Regulations and the Rules,

take any action whatsoever that the Board considers necessary in order to effect the transfer of such share by the holder of such share (including where necessary requiring the holder in question to execute powers of attorney or other authorisations, or authorising an officer of the Company to deliver an instruction to an Approved Operator), and the Company shall pay the net proceeds of sale to the former holder upon its receipt of the sale proceeds and the surrender by him of the relevant share certificate or, if no certificate has been issued, such evidence as the Board may reasonably require to satisfy themselves as to his former entitlement to the share and to such net proceeds of sale and the former holder shall have no further interest in the relevant shares or any claim against the Company in respect thereof. No trust will be created and no interest will be payable in respect of such net proceeds of sale.

- 16.15 If the shares are “Financial Accounts” for purposes of FATCA, then for the purposes of this Article 16.15, the term “sufficient satisfactory documentary evidence” shall include (x) any information as is necessary (in the sole determination of the Board) for the Company to determine whether such Shareholder is a United States person as described in Section 1473 (3) of the U.S. Code (“**specified United States Person**”) or a United States owned foreign entity described in Section 1471(d)(3) of the U.S. Code (“**United States owned foreign entity**”), (y) any additional information that the Company reasonably requests in connection with Sections 1471-1474 of the U.S. Code and (z) if such Shareholder is a specified United States Person or a United States owned foreign entity, its name, address, U.S taxpayer identification number, or, in the case of any such United States owned foreign entity, the name, address and taxpayer identification number of each of its substantial United States owners (as defined in Section 1473 (2) of the U.S. Code).

17. ALTERATION OF CAPITAL

- 17.1 Subject as provided elsewhere in these Articles, the Company may by Ordinary Resolution:-
- 17.1.1 consolidate and divide all or any of its share capital into shares of larger amounts than its existing shares;
 - 17.1.2 subdivide all or any of its shares into shares of smaller amounts so that in the subdivision the proportion between the amount paid and the amount, if any, unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived and so that the resolution whereby any share is subdivided may determine that as between the holders of the shares resulting from subdivision one or more of the shares may have such preferred, deferred or other rights over the others as the Company has power to attach to unissued or new shares;
 - 17.1.3 cancel any shares which at the date of the resolution have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of shares so cancelled;
 - 17.1.4 redesignate or convert the whole, or any particular class, of its shares into shares of another class;
 - 17.1.5 convert all or any of its shares the nominal amount of which is expressed in a particular currency into fully paid shares of a nominal amount of a different

currency, the conversion being effected at the rate of exchange (calculated to not less than 3 significant figures) current on the date of the resolution or on such other date as may be specified therein; and

17.1.6 where its share capital is expressed in a particular currency or former currency, denominate or redenominate it, whether by expressing its amount in units or subdivisions of that currency or former currency or otherwise.

17.2 The Board on any consolidation of shares may deal with fractions of shares in any manner.

18. GENERAL MEETINGS

18.1 Subject to the Companies Law, an annual general meeting shall be held at least once in each Calendar Year provided that not more than 15 months may elapse between one annual general meeting and the next, and in default of an annual general meeting any Member may, not less than 14 days after the last date upon which the meeting ought to have been held, apply to the Court to make such order as the Court thinks fit. All general meetings (other than annual general meetings) shall be called extraordinary general meetings. Extraordinary general meetings and annual general meetings shall be held in Guernsey or such other place as may be determined by the Board from time to time.

18.2 A Member participating by video link or telephone conference call or other electronic or telephonic means of communication in a meeting shall be treated as forming part of the quorum of that meeting provided that the Members present at the meeting can hear and speak to the participating Member.

18.3 A video link or telephone conference call or other electronic or telephonic means of communication in which a quorum of Members participates and all participants can hear and speak to each other shall be a valid meeting which shall be deemed to take place where the chairman is present unless the Members resolve otherwise.

18.4 If the Board, in its absolute discretion, considers that it is impractical or undesirable for any reason to hold a general meeting on the date or at the time or place specified in the notice calling the general meeting, it may postpone or move the general meeting to another date, time and/or place. The Board shall take reasonable steps to ensure that details of the date, time and place of the rearranged meeting are made available to any Member trying to attend the meeting at the original time and place. Notice of the business to be transacted at such rearranged meeting shall not be required. If a meeting is rearranged in this way, the appointment of a Proxy will be valid if it is received as required by these Articles not less than 48 hours before the time appointed for holding the rearranged meeting. The Board may also postpone or move the rearranged meeting under this Article.

18.5 The Members may require the Directors to call a general meeting in accordance with the Companies Law.

18.6 Any general meeting convened by the Members in accordance with the Companies Law shall be convened in the same manner (as nearly as possible) as that in which general meetings are convened by the Board.

19. NOTICE OF GENERAL MEETINGS

- 19.1 Unless special notice is required in accordance with the Companies Law, not less than 10 Clear Days' notice specifying the date, time and place of any general meeting and the text of any proposed resolutions as required by the Laws and the general nature of the business to be dealt with at the Meeting shall be given by notice sent by any lawful means by the Secretary or other officer of the Company or any other person appointed in that behalf by the Board to such Members as are entitled to receive notices provided that with the consent in writing of all the Members entitled to receive notices of such meeting a meeting may be convened by a shorter notice or at no notice and in any manner they think fit.
- 19.2 The accidental omission to give notice of any meeting to or the non-receipt of such notice by any Member shall not invalidate any resolution (or any proposed resolution otherwise duly approved) passed or proceeding at any meeting.
- 19.3 All Members are deemed to have agreed to accept communications from the Company by electronic means in accordance with Article 42.11.
- 19.4 A Member Present In Person at any meeting of the Company or of the holders of any class of shares in the Company, is deemed to have received notice of the meeting and, where required, of the purpose for which it was called.
- 19.5 Every person who becomes entitled to a share shall be bound by any notice in respect of that share which, before his name is entered in the Register, has been duly given to a person from whom he derives his title.

20. PROCEEDINGS AT GENERAL MEETINGS

- 20.1 No business shall be transacted at any general meeting unless a quorum is present when the meeting proceeds to business, but the absence of a quorum shall not preclude the choice or appointment of a chairman of the meeting which shall not be treated as part of the business of the meeting. Save as otherwise provided by these Articles, the quorum for a general meeting shall be two Members Present In Person.
- 20.2 If within thirty minutes from the time appointed for the meeting a quorum is not present, the meeting if convened by or upon a requisition shall be dissolved. If otherwise convened it shall stand adjourned for five Business Days at the same time and place or to such other day and at such other time and place as the Board may determine and (subject to Article 20.4) no notice of adjournment need be given. Save as otherwise provided by these Articles on the resumption of an adjourned meeting, those Members Present In Person shall constitute the quorum.
- 20.3 The chairman of any general meeting shall be either:
- 20.3.1 the chairman of the Board;
 - 20.3.2 in the absence of the chairman, or if the Board has no chairman, then the Board shall nominate one of their number to preside as chairman;
 - 20.3.3 if neither the chairman of the Board nor the nominated Director are present at the meeting then the Directors present at the meeting shall elect one of their number to be the chairman;

- 20.3.4 if only one Director is present at the meeting then he shall be chairman of the general meeting; or
- 20.3.5 if no Directors are present at the meeting then the Members Present In Person shall elect a chairman for the meeting by an Ordinary Resolution.
- 20.4 The chairman of the general meeting shall conduct the meeting in such a manner as he thinks fit and may limit the time for Members to speak.
- 20.5 The chairman may with the consent of any meeting at which a quorum is present and shall if so directed by the meeting adjourn the meeting at any time and to any place but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for 30 Business Days or more notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- 20.6 In the case of both a resolution duly proposed as a Special Resolution and a resolution duly proposed as an Extraordinary Resolution, no amendment thereto (other than an amendment to correct a patent error) may be considered or voted upon. In the case of a resolution duly proposed as an Ordinary Resolution no amendment thereto (other than an amendment to correct a patent error) may be considered or voted upon unless either (a) at least two Business Days prior to the date appointed for holding the meeting or adjourned meeting at which such Ordinary Resolution is to be proposed notice in writing of the terms of the amendment and intention to move the same has been received by the Company or (b) the chairman of the meeting in his absolute discretion decides that it may be considered or voted upon. With the consent of the chairman of the meeting, an amendment may be withdrawn by its proposer before it is put to the vote.
- 20.7 If an amendment shall be proposed to any resolution under consideration but shall be ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling.
- 20.8 At any meeting, a resolution put to the vote shall be decided by a show of hands or by a poll at the option of the chairman. Nevertheless before or on the declaration of the result a poll may be demanded:
- 20.8.1 by the chairman; or
- 20.8.2 not less than five Members having the right to vote on the resolution; or
- 20.8.3 one or more of the Members Present In Person representing, at least ten per cent. of the total voting rights of all of the Members having the right to vote on the resolution.
- The demand for a poll may be withdrawn.
- 20.9 Unless a poll be demanded a declaration by the chairman that a resolution has on a show of hands been carried or carried unanimously or by a particular majority or lost and an entry to that effect in the minute book shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded.

- 20.10 A poll if demanded shall be taken at the meeting at which the same is demanded or at such other time and place as the chairman shall direct and the result shall be deemed the resolution of the meeting.
- 20.11 If a poll is properly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The chairman may, in the event of a poll appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- 20.12 A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than 30 days from the date of the meeting or adjourned meeting at which the poll was demanded. It shall not be necessary (unless the chairman of the meeting otherwise directs) for notice to be given of a poll.
- 20.13 In case of an equality of votes the chairman shall have a second or casting vote in addition to any other vote he may have.
- 20.14 A Director of the Company shall be entitled to attend and speak at any general meeting and at any separate meeting of the holders of any class of shares in the Company regardless of whether that Director is a Member of the Company or of the relevant class.

21. VOTES OF MEMBERS

- 21.1 A Member shall not be entitled in respect of any share held by him to attend or vote (either personally or by duly authorised corporate representative or by Proxy) at any general meeting or separate class meeting of the Company unless all calls due from him in respect of that share have been paid.
- 21.2 A Member shall not, if the Board so determines, be entitled in respect of any share held by him to attend or vote (either personally or by duly authorised corporate representative or by Proxy) at any general meeting or separate class meeting of the Company or to exercise any other right conferred by membership in relation to any such meeting if he or any other person appearing to be interested in such shares has failed to comply with a notice requiring the disclosure of Members' interests and given under the Articles within 14 days, in a case where the shares in question represent at least 0.25 per cent. of the number of shares in issue of the class of shares concerned, or within 28 days, in any other case, from the date of such notice. The restrictions will continue until the information required by the notice is supplied to the Company or until the shares in question are transferred or sold in circumstances specified for this purpose in the Articles.
- 21.3 Where there are joint registered holders of any share such persons shall not have the right of voting individually in respect of such share but shall elect one of their number to represent them and to vote whether in person or by Proxy in their name. In default of such election the person whose name stands first on the share register of the Company shall alone be entitled to vote.

- 21.4 Any Member being under any legal disability may vote by his curator or other legal guardian. Any of such persons may vote either personally or by Proxy.
- 21.5 On a poll votes may be given either personally or by Proxy and a Member entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way. A Proxy need not be a Member. An instrument of Proxy may be valid for one or more meetings.
- 21.6 No Member shall be entitled to be Present In Person or take part in any proceedings or vote either personally or by Proxy or by duly authorised corporate representative at any meeting unless all calls due from him have been paid. No Member shall be entitled to vote in respect of any shares unless he has been registered as their holder. For the purposes of determining which persons are entitled to attend or vote at a meeting and how many votes such person may cast, the Company may specify in the notice of the meeting a time, not more than 48 hours before the time fixed for the meeting (the “**Cut Off Time**”), by which a person must be entered on the Register in order to have the right to attend or vote at the meeting.
- 21.7 No objection shall be raised to the qualification of any voter except at the meeting or the adjourned meeting at which the vote objected to is given or tendered and every vote not disallowed shall be valid for all purposes. Any objection made in due time shall be referred to the chairman whose decision shall be final and binding.
- 21.8 Subject to the provisions of the Companies Law, the instrument appointing a Proxy shall be in any common form or in such other form as the Directors may approve and (i) if in writing but not sent in electronic form, made under the hand of the appointor or of his attorney duly authorised in writing or if the appointor is a corporation under its common seal or under the hand of an officer or attorney duly authorised in that behalf, or (ii) if sent in electronic form, submitted by or on behalf of the appointor and authenticated.
- 21.9 The instrument appointing a Proxy and the power of attorney or other authority (if any) under which it is signed, or a copy of that power or authority certified notarially or in some other way approved by the Directors shall:
- 21.9.1 in the case of an instrument in writing (including, whether or not the appointment of a Proxy is sent in electronic form, any such power of attorney or other authority) be deposited at the Company’s registered office (or such other address as may be specified by the Company from time to time for the purpose of receiving documents) not less than 48 hours before the time of the holding of the meeting or adjourned meeting at which the person named in the appointment proposes to vote; or
- 21.9.2 in the case of an appointment sent in electronic form, where a Relevant Electronic Address or another address has been specified for the purpose of receiving documents of information sent in electronic form;
- (a) in the notice convening the meeting; or
- (b) in any instrument of Proxy sent out by the Company in relation to the meeting; or

- (c) in any invitation sent in electronic form to appoint a Proxy issued by the Company in relation to the meeting,
- be received at such an address not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the appointment proposes to vote; or
- 21.9.3 in the case of a poll taken more than 48 hours after it is demanded, be deposited or received as aforesaid after the poll has been demanded and not less than 24 hours before the time appointed for taking the poll; or
- 21.9.4 in the case of a poll not taken forthwith but taken not more than 48 hours after it was demanded, be delivered at the meeting at which the poll was demanded to the Chairman of the meeting or any Director, the Secretary or some other person authorised by the Company.
- 21.10 The appointment of a Proxy shall not preclude a member from attending and voting in person at the meeting or poll concerned, subject to Article 21.13.
- 21.11 The Directors have the discretion (but shall not be required) to treat any appointment of a Proxy received after the Cut Off Time as valid.
- 21.12 The instrument appointing a Proxy shall be deemed to confer authority to demand or join in demanding a poll and shall be as valid for any adjournment as for the meeting to which it relates.
- 21.13 A vote given in accordance with the terms of an instrument of Proxy shall be valid notwithstanding the previous death or disability of the principal or revocation of the Proxy or of the authority under which the Proxy was executed provided that no intimation in writing of such death, disability or revocation shall have been received by the Company at the Office (or such other address as may be specified by the Company from time to time for the purpose of receiving documents) before the commencement of the meeting or adjournment or the taking of the poll at which the Proxy is used.
- 21.14 Subject to the Companies Law, a Written Resolution to which the requisite majority of Eligible Members (including, for the avoidance of doubt, Members of a particular class) have within twenty-eight days of the date on which circulation of such Written Resolution, signified their agreement shall be as effective as if the same had been duly passed at a general meeting.
- 21.15 When two or more valid but differing appointments of a Proxy are received in respect of the same share or number of shares for use at the same meeting or poll, the one which is last received (regardless of its date or of the date of its signature) shall be treated as replacing and revoking the others as regards that share or number of shares. The Directors in their absolute discretion may determine which was last received and if the Directors either cannot or determine not to, none of those appointments of Proxy shall be treated as valid in respect of that share or number of shares. The proceedings at a general meeting shall not be invalidated where an appointment of a Proxy in respect of that meeting is sent in electronic form as provided in these Articles but because of a technical problem it cannot be read by the recipient.

- 21.16 Any corporation which is a Member may by resolution of its board of directors or other governing body authorise any one or more persons as it thinks fit to act as its representative(s) at any meeting of the Company or of any class of Members or to approve any resolution submitted in writing and each person so authorised shall be entitled to exercise on behalf of the corporation which he, she or they represent the same powers (other than to appoint a Proxy) as that corporation could exercise if it were an individual Member **PROVIDED THAT**, except in relation to a vote on a show of hands, if two or more representatives of one Member purport to exercise a power in respect of the same shares, then (i) if they exercise the power in the same manner, it shall be exercised in such manner; but (ii) if they exercise the power in a different manner, it shall be deemed not to have been exercised.
- 21.17 In calculating the periods mentioned in Articles 21.6 and 21.9 no account shall be taken of any part of a day that is not a Business Day.
- 21.18 The provisions contained in this Article 21 are without prejudice to any special rights, restrictions or prohibitions as regards voting for the time being attached to any shares or class of shares.

22. NUMBER AND APPOINTMENT OF THE BOARD

- 22.1 The number of the Directors shall be not less than two and there shall be no maximum number unless otherwise determined by the Company by Ordinary Resolution.
- 22.2 Subject to Article 22.1, the Board shall have power at any time to appoint any person to be a Director either to fill a casual vacancy or as an addition to the existing Board but so that the total number of the Board shall not at any time exceed the number (if any) fixed pursuant to these Articles. Any person so appointed by the Board shall hold office only until the next annual general meeting of which notice is given after this appointment and shall then be eligible for election in accordance with Article 22.3.
- 22.3 Subject to Article 22.1, at each annual general meeting of the Company, all the Directors at the date of the notice convening the annual general meeting shall retire from office and each Director may offer himself for election or re-election by the Members.
- 22.4 If, at a general meeting at which a Director retires, the Company neither re-elects that Director nor appoints another person to the Board in the place of that Director, the retiring Director shall, if willing to act, be deemed to have been re-elected unless at the general meeting it is resolved not to fill the vacancy or unless a resolution for the re-election of the Director is put to the meeting and lost.
- 22.5 No person other than a Director retiring at a general meeting shall, unless recommended by the Board, be eligible for election by the Company to the office of Director unless not less than seven nor more than 42 Clear Days before the date appointed for the meeting there shall have been left at the Office (or, if a Relevant Electronic Address or another electronic address has been specified by the Company for such purposes, sent to the Company's Relevant Electronic Address or other electronic address) a notice in writing signed or authenticated in accordance with these Articles by a Member duly qualified to attend and vote at the meeting for

which such notice is given of his intention to propose such person for election together with notice in writing signed by that person of his willingness to be elected and containing a declaration that he is not ineligible to be a Director in accordance with the Laws.

22.6 If:

22.6.1 any resolution or resolutions for the election or re-election of the persons eligible for election or re-election as Directors are put to the annual general meeting and lost; and

22.6.2 at the end of that meeting the number of Directors is fewer than any minimum number of Directors required under Article 22.1,

all retiring Directors who stood for re-election at that meeting (the “**Retiring Directors**”) shall be deemed to have been re-elected as Directors and shall remain in office, but the Retiring Directors may only:

22.6.3 act for the purpose of filling vacancies and convening general meetings of the Company; and

22.6.4 perform such duties as are appropriate to maintain the Company as a going concern and to comply with the Company’s legal and regulatory obligations,

but not for any other purpose.

22.7 Without prejudice to the powers of the Board, the Company by Ordinary Resolution may appoint any person to be a Director either to fill a casual vacancy or as an additional Director, but so that the total number of the Board shall not thereby exceed the maximum number (if any) fixed by or in accordance with these Articles (and subject at all times to Article 22.1 and 22.2). Any person so appointed by the Board shall hold office only until the next annual general meeting and shall then be eligible for election.

22.8 At a general meeting a motion for the appointment of two or more persons as Directors of the Company by a single resolution shall not be made unless a resolution that it shall be so made has been first agreed to by the meeting without any vote being given against it.

22.9 A person must not be appointed as a Director unless he has, in writing, consented to being a director and declared that he is not ineligible to be a director under the Companies Law.

23. QUALIFICATION AND REMUNERATION OF DIRECTORS

23.1 A Director need not be a Member. A Director who is not a Member shall nevertheless be entitled to attend and speak at Members’ meetings.

23.2 The Directors (other than any alternate Directors) shall be entitled to receive by way of fees for their services as Directors such sum as the Board may from time to time determine provided that the aggregate amount of such fees (including fees, if any, due to the Directors for attendance at meetings of any committee of the Board) for all the Board collectively shall not exceed £500,000 in any financial year, or such larger sum as may be determined from time to time by Ordinary Resolution of the Company.

Any fees payable pursuant to these Articles shall be distinct from and shall not include any salary, remuneration for any executive office or other amounts payable to a Director pursuant to any other provisions of these Articles and shall accrue from day to day.

- 24.3 Every alternate Director shall *ipso facto* vacate office if and when his appointment expires by effluxion of time or his appointor vacates office as a Director or removes the alternate Director from office as such by notice in writing under his hand deposited at the Office, or delivered at a meeting of the Board.

- 24.5 Subject to the foregoing provisions of this Article 24, a Director may act as alternate Director for another Director and shall be entitled to vote for such other Director as well as on his own account but no Director shall at any meeting be entitled to act as alternate Director for more than one other Director. He shall not be counted more than once for the purposes of the quorum.
- 24.6 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be indemnified to the same extent *mutatis mutandis* as if he were a Director.

28. DIRECTORS' INTERESTS AND CONFLICTS OF INTEREST

- 28.1 A Director must, immediately after becoming aware of the fact that he is interested in a transaction or proposed transaction with the Company, disclose to the Board the nature and extent of his interest unless the transaction or proposed transaction is between the Director and the Company, and is to be entered into in the ordinary

- 36.11 Subject to the provisions of these Articles and to the rights attaching to any shares, any dividend or distribution or other monies payable on or in respect of a share may be paid in such currency as the Board may determine, using such exchange rate for currency conversions as the Board may select.
- 36.12 The Company may cease to send any cheque, warrant or order by intra-bank transfer for any dividend or distribution on any shares which is normally paid in that manner if in respect of at least two consecutive dividends or distributions payable on those shares the cheque, warrant or order has been returned undelivered or remains uncashed or the intra-bank transfer is rejected but, subject to the provisions of these Articles, shall recommence sending cheques, warrants, orders or intra-bank transfers in respect of the dividends or distributions payable on those shares if the holder or person entitled by transmission claims the arrears of dividend or distribution and does not instruct the Company to pay future dividends or distributions in some other way.

- 36.13 If two or more persons are registered as joint holders of any share, or are entitled jointly to a share in consequence of the death or bankruptcy of the holder or otherwise by operation of law, any one of them may give effectual receipts for any dividend or distribution or other moneys payable or property distributable on or in respect of the share.
- 36.14 Any resolution for the declaration or payment of a dividend or distribution on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend or distribution shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights *inter se* in respect of such dividend or distribution of transferors and transferees of any such shares.
- 36.15 The waiver in whole or in part of any dividend or distribution on any share shall be effective only if such waiver is in writing signed by the Member (or the person entitled to the share in consequence of the death or bankruptcy of the holder or otherwise by operation of law) and delivered to the Company and if or to the extent that the same is accepted as such or acted upon by the Company.
- 36.16 The Directors may deduct from any dividend, distribution or other amount payable to a Member by the Company any withholding, FATCA Deduction or other tax (and associated costs and expenses) attributable to that Member (or, if different, any direct or indirect beneficial owner(s) of the shares held by such Member) and may take any steps necessary to effectuate such withholding, FATCA Deduction or payment of tax.
- 36.17 Subject to the provisions of the Companies Law and these Articles, the Directors may, in their absolute discretion, provide that Members will be entitled to elect to receive an issue of additional shares of the relevant class credited as fully paid (“**bonus shares**”) in anticipation of, but in *lieu* of, any dividend or distribution being declared in respect of such electing Members in accordance with these Articles. This Article 36.17 shall apply to any Member that has elected by giving written notice to the registrar of the Company at least 15 (fifteen) Business Days prior to the payment date for any dividend or distribution, not to receive such dividend or distribution in respect of any of the shares owned by such Member but to receive bonus shares in *lieu*, and no Member who has so elected shall be entitled to receive such dividend or distribution in respect of any shares which are so elected and no such dividend or distribution shall be declared in respect of such Member. In any such case the following provisions shall (subject to such amendments as the Directors may in their absolute discretion determine from time to time) apply:
- 36.17.1 Subject to the provisions of the Companies Law and these Articles, the Directors may, in their absolute discretion, provide that Members shall receive an issue of additional shares of the relevant class credited as fully paid instead of any dividend or distribution (a “**relevant distribution**”) that would otherwise be declared in respect of the shares held by such Members in accordance with these Articles.
- 36.17.2 The Company shall notify each Member of any decision to issue additional shares instead of a relevant distribution and provide each Member with the

opportunity to receive the relevant distribution instead. Any Member may elect to receive the relevant distribution in respect of all or some of its shares by giving written notice to the registrar of the Company at any time before the date that is 15 (fifteen) Business Days prior to the proposed issue date for the additional shares (and each such Member shall be an “**Electing Member**” in respect of the relevant shares for which it makes such an election). A Member may elect to be an Electing Member in respect of all dividends and distributions paid on its relevant shares for the period that such Member owns those relevant shares (a “**permanent election**”). A Member may revoke any such permanent elect at any time by giving written notice to the registrar of the Company, which notice shall be effective in respect of any dividends and distributions that are paid at least 15 (fifteen) Business Days following the date of receipt of that notice by the registrar.

36.17.3 Insofar as a Member is not an Electing Member in respect of all or some of its shares (the “**relevant shares**”), that Member shall not be entitled to receive a relevant distribution in respect of the relevant shares and no relevant distribution shall be declared in respect of the relevant shares. Instead, the Member shall be deemed to have agreed to accept the issue of additional shares to that Member in respect of the relevant shares and the following provisions shall apply in respect of the relevant shares (subject to such amendments as the Directors may in their absolute discretion determine from time to time):

- (a) Each Member holding relevant shares shall be entitled to a number of new shares of the same class that are together as nearly as possible equal in value to (but not greater than) the cash amount of the relevant shares. For this purpose, the value of each new share shall be equal to the most recent published Net Asset Value per share of the class of relevant shares.
- (b) The new shares shall rank equally in all respects with the fully paid shares of the same class then in issue except that they shall not be entitled to participate in the relevant distribution.
- (c) No fraction of a new share shall be allotted. The Directors may make such provision as they may in their absolute discretion determine for any fractional entitlements of new shares, including without limitation payment in cash to Members in respect of fractional entitlements, provision for the accrual, retention or accumulation of all or part of the benefit of fractional entitlements to or by the Company or to or by or on behalf of any Member or the application of any accrual, retention or accumulation to the allotment of fully paid shares to any Member.

36.17.4 The Directors may do all acts and things considered necessary or expedient in accordance with the provisions of these Articles and the Companies Law to give effect to the issue of the new shares with full power to the Directors to make such provision as they think fit in the case of fractions of new shares so that the fractional entitlements are disregarded or rounded up or the benefit of the fractional entitlements accrues to the Company.

36.17.5 The Directors may on any occasion determine that any Member with a registered address in any territory where in the absence of a registration statement or compliance with other special formalities the circulation of an offer of, or the issue of, new shares would or might be unlawful shall receive the relevant distribution as if it were an Electing Member in respect of the relevant shares and in such event the provisions aforesaid shall be read and construed subject to such determination.

The Board may also without placing the same to reserve carry forward such sums.

- 38.1 The Board in its absolute discretion may resolve that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the retained earnings account or otherwise available for distribution, and accordingly that the sum be set free for distribution amongst the Members who would have been entitled thereto if distributed by way of dividend and in the same proportions on condition that the same be not paid in cash but be applied either in or towards paying up any amounts for the time being unpaid on any shares held by such Members respectively or paying up in full unissued shares of the Company to be issued and distributed credited as fully paid up to and amongst such Members in the proportion aforesaid, or partly in the one way and partly in the other.
- 38.2 Whenever such a resolution as aforesaid shall have been passed the Board shall make all the appropriations and applications of the sums resolved to be capitalised thereby, and all issues of fully paid shares, if any, and generally shall do all acts and things required to give effect thereto with full power to the Board to make such provision by the issue of fractional certificates or by payment in cash or otherwise as they think fit for the case of shares becoming distributable in fractions including by aggregating and selling them. For the purposes of effecting any such sale, the Board may arrange for the shares representing the fractions to be entered in the Register as Certificated shares. The shares representing fractions may be sold to any person, including the Company, and the Board may authorise some person to transfer or deliver the shares to, or in accordance with the directions of, the purchaser. The person to whom any shares are transferred or delivered shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity in, or invalidity of the proceedings relating to the sale. The Board may also authorise any person to enter on behalf of all the Members entitled thereto into an agreement with the Company providing for the issue to them respectively, credited as fully paid up, of any further shares to which they may be entitled upon such capitalisation, or (as the case may require) for the payment up by the Company on their behalf, by the

application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares, and any agreement made under such authority shall be effective and binding on all such Members.
